GI Complete

Support G.I. Tract Health and Function

- **G.I. Complete** is the most advanced formula on the market today for optimal gastro intestinal health. It has been designed to support gut health, soothe the digestive tract lining, promote regularity, microbial balance and support proper immune function.

- **G.I. Complete** provides 5 grams of L-Glutamine per serving and is flavored with natural ingredients.

- **G.I. Complete** is available in capsules or a convenient, crystalline powder which mixes easily into any beverage or other functional food powder and is free of any ingredient that causes gas and or bloating.

G.I. Complete is the only formula of its kind to combine:

- **L-glutamine** 5000 mg per serving to fuel intestinal cells and maintain villi

- **Arabinogalactans** 1000 mg per serving to support the immune system, aid regularity and support the production of beneficial bacteria

- **DMG** (500mg) 3 US Patents including one for modulating immune response and for the treatment of inflammatory disease. Has been used for over 20 years to modulate inflammation in the GI System and help support immune function.

- **Deglycyrrhizinated Licorice root** 500 mg per serving to help soothe the gut wall

- **Aloe Vera Leaf Extract** (200:1) 250 mg to support the body's ability to heal the lining of the stomach and keep the folds and pockets of the colon free of toxic material that gather there

- **Slippery Elm bark** 200 mg per serving to reduce bowel transit time; absorb toxins from the bowel; increase fecal bulk and enhance beneficial bacteria in the gut

- **Zinc Carnosine** 75 mg per serving to help stabilize small bowel integrity, stimulate gut repair processes and help minimize free radical damage to gastric mucosal cells

- **Marshmallow Root** (Althaea officinalis) 100 mg per serving to soothe the gut
